

### H3 – Defense: answering back raises the alarm first, and lowers it only by winning outright

Mean over 250 seeds.  $D$  runs `base`,  $\alpha_D = 0.7$ ,  $\rho_D = 0.25$  and withdraws at  $t_{\text{off}} = 150$ ;  $C$  enters there with the `random` repertoire and runs to  $T = 400$ .
